*In* the present time, the most important for

human being is to serve all creations of Cosmos. For this holy mission, we have to experience the true concept of *Sanatana Dharma* and have a scientific way to apply *Sanatana Dharma* in daily life. This will offer true services to all human beings and all creations.

*Sanatana Dharma* ( सनातन धर्म ) means accepting the principle and philosophy of “*Ekoaham-bahushyami*” ( एकोअहम्बहुष्यामि ) and realizing -“ *Saanch Ko Aanch Nahnee*” ( साँच को आँच नहीं ). Here, “*saanch*” means true idea - thought and concept about the visible and invisible creation . “*Aanch*” means problems of various kinds. When we live the true concept of the visible and invisible creation of Cosmos, we will never have problems of any kind.

In the present ascending *Dwapara Yuga*, human civilization now start understanding truth behind *Sanatana Dharma* which means that each creation in Cosmos is Eternal and Immortal. Anyone who has devotion towards realization of this Truth becomes free of all problems – poverty, bodily illness and sickness of all kinds , mental tension, worry and fear etc...

This Truth is practiced easily and royally in the form of Kriyayoga Meditation by people all over the world. It has been proved that true devotion towards Kriyayoga Meditation solves all problems of life with 100% guarantee.
